

Application for permit (Cycles)

Nunthorpe Cycling and Motor Cycling Policy

Full name of Student:-

Student ID number:-

Tutor Group :-

I have read the Nunthorpe Cycling and Motor Cycling Policy and I wish to apply for a permit to allow my son/daughter to cycle to school and use the Nunthorpe cycle storage facility.

I understand that;-

1. Nunthorpe advises that all cyclists wear protective headgear and reflective strips.
2. Cycles should be in good working order.
3. Cycles left in the storage facility **must** be secured with a good quality cycle lock.
4. I have explained to my son/daughter that in the interests of safety, s/he **never** cycles through the main car park, but follows the new cycle route adjacent to The Studio to gain access to and from the storage area.

I have explained to my son /daughter that if s/he persistently ignores 3 & 4 above the permit will be revoked, and the cycle confiscated awaiting collection if necessary.
