

23 June 2009

Dear Parents and Carers

OFSTED – Nunthorpe Monitoring Visit – Thursday 4th June 2009

We write with great news for our school.

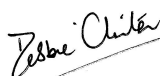

Available through our website is a copy of a report from Paul Hancock, HMI, who visited our school on the above date. You will see from the report that we have been deemed to be making 'good and rapid' progress in the 3 areas for improvement which were identified during our most recent OFSTED Inspection in February 2008.

This is tremendous news for us all – students, governors and staff. The hard work of so very many people is recognised throughout this report and we are thoroughly proud of all that we continue to achieve!

Please do congratulate your son/daughter; our students are always very special but they were particularly so on the 4th June! They deserve huge praise for their hard work and achievement.

Our very best wishes to you all as ever.

Yours sincerely,

Debbie Clinton
Headteacher

DHC/PD
