Project Diary Homework

Every week you will need to take your **Project Diary** booklet home and complete it for that week. You need to fill in:

- What you have done this week
 - Explain what you have done, what software you used and whether you completed your work etc. Also mention anything you found hard

- Set yourself some targets to complete during the next week. These need to be SMART targets
 - Specific
 - Measurable
 - Achievable
 - Realistic
 - Timed

- Check the targets from the previous week – have you met them?

Your project diary will be checked every week. You need to make sure that you bring it in to the 1st lesson of every week to enable your teacher to check through it and give it back to you to fill in after the second lesson.

It will be used at the end of the project to check your progress and also to help you evaluate and write up the work you have been doing.

All Homework must be handed in on the date requested.

If you hand in homework late or it is of an unacceptable standard you will be given a p6.
