### Theme Park Research

You need to find 2 pieces of information about Theme Parks – they could be leaflets, newspaper articles, adverts etc. If possible one should be a non-ICT piece.

For each item of information you need to highlight or note down the most important bits of information and anything that will help you design your own theme-park.

All Homework must be handed in on the date requested.

If you hand in homework late or it is of an unacceptable standard you will be given a p6.
