### Music Review

For your homework you need to write a review of your favourite recent song or album release so that you can add it to your newsletter next lesson.

The review must contain;

The song title and name of the artist or group

The date the song was released

What the song is about

How does this release compare to the artists other recent releases?

What is it you like about the song?

Your review should be at least 200 words long

If you get stuck for ideas use the internet to browse for reviews of recent song releases or browse articles in music magazines.

You might find it useful to email your homework to your school email account so that you can copy and paste it directly to your newsletter next lesson.

All Homework must be handed in on the date requested.

If you hand in homework late or it is of an unacceptable standard you will be given a p6.
