Poster Campaign task

Write an independent evaluation about their poster campaign and the improvements that they will make and why etc

Individually you need to write an evaluation about the poster campaign which you have created in your group. Your evaluation needs to mention both the positives and the negatives of your campaign and explain what improvements you think should be made in order to make the campaign successful.

You especially need to think about the audience and the purpose of the campaign and whether the campaign met them.

All Homework must be handed in on the date requested.

If you hand in homework late or it is of an unacceptable standard you will be given a p6.
