

BIE Homework Sheet

Year: 10

Project: The external environment

Date issued: week 12

Date Due in: wc 8.12.08

You work as a reporter for a local newspaper in a small country village. In the village there is a small post office which is threatened by closure as it is not making a profit, a local pub and a small grocery store.

A large clothing manufacturer has bought a large piece of land on the outskirts of the village and would like to build a new factory that will manufacture clothing.

Many of the locals are concerned about the effect this will have on their village.

You believe that although there is going to be negative effects these will be counteracted by the positive effects the manufacturer will bring to the village.

Task

Produce an article for the local people that explains what effects the manufacturer will have on their village. You must include:

Positive effects

Negative effects

Any action that could be taken by the local people

A conclusion stating whether you think the manufacturer should be allowed to locate to the village

All Homework must be handed in on the date requested.

If you hand in homework late or it is of an unacceptable standard you will be given a p6.
