

In this term, students will develop their writing skills as well as their reading skills. Classes will explore and examine writing styles, genre, mise en scene and the importance of setting – this will enable students to write to describe more engagingly. Some homework tasks have been designed to extend and develop work completed in class, while other tasks are essential preparation tasks which need to be completed in order to participate fully in the lesson.

Below is a list of the homework that students will complete throughout this scheme of work. It is worth noting that the class teacher will set homework to support their class and so, as a result of this, the order of homework may vary or there may be additional homework to that listed below. For specific information, it is recommended that you contact the teacher of your child directly.
