

NMAT CHARGING AND REMISSION POLICY for all academy activities (Statutory)

1. Preamble and Context

Our Trustees acknowledge the right of all of our students to receive free state funded academy education and understands that activities offered wholly or mainly during normal learning time must be made available to all students regardless of their parents' ability to help meet the cost.

However, our Trustees also reserve the right to levy specific charges in any circumstances they deem necessary and within the guidelines of the Education Reform Act of 1988. Without such charges being raised, the many and varied activities which NMAT offers its students would be severely limited. Our Trustees believe that such a limitation would be severely detrimental to the broader education of many of our students.

2. What does the Trust's academies raise charges for?

Educational Trips and Visits

The Education Act of 1996 confirmed the right of schools to invite Voluntary Contributions for the benefit of our academy, or in support of any activity organised by the academy - whether during or outside the academy working day.

Educational Trips and Visits are rarely provided by our academy at no cost to families. In most cases, a Voluntary Contribution will be required by the academy to meet the costs of the trip.

The Trust therefore reserves the absolute right to determine the level of all Voluntary Contributions for all Educational Trips and Visits. In determining such levels of contribution, we will focus exclusively upon the viability of the trip/visit.

Please see the relevant Academy's Journey/Visit and Insurance Policy for more details.

Academy Uniform

Please see the relevant Academy's Uniform Policy for more details.

Lost/Damaged/Broken Academy Property

The Trustees reserve the right to ask parents to meet the full cost, or a proportion of the cost, for any Lost / Damaged / Broken academy property – except when caused by fair wear and tear.

In ALL cases of willful Loss/Damage/Breakage, parents will be asked to meet the full cost(s) of repair or replacement.

Individual Tuition

The Trustees reserve the right to ask parents to meet any costs associated with individual tuition in the playing of musical instruments whether in or out of academy hours (UNLESS it is provided as part of a syllabus for a prescribed public examination or is required by the National Curriculum).

The Trustees also reserve the right to ask parents to meet any costs associated with 'optional extras' provided by the academy – both within and without the academy working day. Participation in such optional extras is always entirely voluntary.

This policy will be kept under regular review in light of legal developments and best practice.

Finished Products/Charging in Kind

Where parents have expressed a wish in advance to have a finished product made at academy (e.g. in Technology, Art etc) a charge will be made at cost price. Parents will know the charge for such products in advance.

'Vulnerable Students' will be able to access the PPG fund for specific costs for projects within certain subjects e.g. Design & Technology. These costs will have been agreed between departments and the Vice Principal/Asst. Vice Principals and parents notified in advance when charging letters are issued. (see Vulnerable Students Action Plan).

Public Examinations – including 're-sits' (please see our Examinations Entry Booklet also)

Our Trustees will routinely expect the academy to meet all the costs of all initial public examinations for all students. The academy will not, however, meet even those initial costs when students have failed to prepare adequately for the examination. The academy will, routinely, pay for one examination re-sit unless extenuating circumstances dictate that we fund more. However, for any student who has failed to prepare adequately for any examination, the academy will not, routinely, fund any re-sits including the first.

Parents will NEVER be charged for examination re-sits where extenuating circumstances exist – e.g. when a student has been ill. Parents should seek advice from their child's Head of House(Nunthorpe Academy)/College Pastoral Leader (Rye Hills Academy) in such circumstances.

Transport

Transport to and from home to any activity not provided by, but permitted by, the academy, will be charged for (the main examples at Academies are work experience/alternative education programmes/work placements/work shadowing etc).

Freedom of Information Requests

Please see our separate Freedom of Information Policy and Schedule

Copies of Student Files

Trustees will routinely levy an administration charge for the preparation of such files for parents. (This charge is reviewed annually as part of the Publication Scheme).

Private Use of Academy Facilities by students

Private use of our academy's telephone, e-mail and reprographic facilities by our students is routinely not permitted.

In the rare case that a private telephone call is made and is deemed to be an emergency, no charge is made.

3. Which families might be entitled to exemption from such charges?

Students in receipt of Free Academy Meals (FSM)

This policy will be kept under regular review in light of legal developments and best practice.

When arranging a chargeable activity such parents will be invited in confidence for the remission of charges in full or in part. This is co-ordinated by the Administration Manager and the relevant Head of House or Department (Nunthorpe Academy) and Pastoral College Leader or Deputy Head (Rye Hills Academy).

The Director of Finance and Operations will make authorisation for such remission having sought the opinion of the relevant staff.

4. Refunds

If an activity or trip is cancelled by the academy, a full refund will be applicable. Where such events are forcibly cancelled by NMAT but through no fault of the academy (e.g. staff industrial action, unusual weather etc.) refunds will **not** be applicable.

If a student withdraws from an activity or trip, a refund will only be paid if the place can be filled by another student or if the academy is refunded for paid transport, accommodation and entrance fees. Such refund will be subject to an administration charge of £5 as with the dispensing of surpluses (see the Academy's Journey/Visit and Insurance Policy).

Where applicable, individual trip letters will give details of any 'cut-off' dates for non-refundable elements of activity or trip costs.
