### Do you know WHO your child is WITH and WHAT they are doing?

#### BE ALERT

When your child tells you they are going to a friend's house or asks to 'sleep out' they may not always be where you think they are!

#### BE AWARE

- Speak to your child about where they are going every time they go out and if they ask to sleep out at a friend's ask Who, Where & When.
- Always tell your child if they ask for a 'sleep out' you will speak to their friend's parent/carer to confirm
- Follow this up!
- Explain every time they go out and or ask to sleep over at friends you will ask questions and do a **SAFE** check because you are responsible to protect them.

**This campaign is to promote checking children's whereabouts to prevent them being at risk and in the Wrong Hands.**

**PREVENT**

The social media platform TWITTER has been the first to strike out at Right wing platforms promoting hatred and division by blocking accounts including the likes of Britain First amongst others and YouTube have yesterday started to follow suit. Groups such as these have had a history of trying to bypass security measures by rebranding themselves online to evade units such as the Counter Terrorism Internet Referral Unit and seeitreportit.org.
