Dear Parent / Carer / Partners

**Leading Parent Partnership Award (LPPA)**

Nunthorpe Academy was awarded the Leading Parent Partnership Award (LPPA) successfully in 2010 and 2014. We are currently being re assessed in order to be achieve the award once again.

As an academy we are committed to investing in our parents for the achievement of our students. The award is DfE recognised and externally validated. It is designed to help strengthen and enhance the relationship between parents, children and their academy.

The Final Verification process will take place in the next couple of months. Members of school staff, Governors, Students and Parents will be interviewed, our evidence checked and the Leading Parent Partnership Award will once again be awarded to Nunthorpe Academy.

Gaining this award is of great benefit to the parents and students of Nunthorpe Academy, demonstrating the importance of parental involvement within the school and the impact on your child's academy life and educational development.
