

Nunthorpe Academy

Dear Parent/Carer

Thank you for supporting your child in their Duke of Edinburgh's Bronze level journey. We are currently in the process of working with the local authority to finish registering students on the award. Once your child has been registered they will receive an email from 'Elaine Buckley' with their online Duke of Edinburgh's award account login details. This email will be sent to the address provided on the enrolment form your child handed in. From here students can complete their personal information and begin to upload their evidence for the different sections of the award. They will be supported in doing this during the Tuesday sessions run at the Academy.

The table below shows dates that sessions will run. Please note there may be the odd occurrence when a session is cancelled due to unforeseen circumstances, in these cases a notice will be passed on through tutors and put on the Academy website.

Students do not need to attend every session but they can if they wish. The dates in bold are sessions where team bonding activities are planned to allow students to develop their confidence, social skills as well as build friendships in preparation for the expedition in the summer term. Dates for the summer term will be provided nearer the time.
