

**Nunthorpe**  
Academy

13 December 2018

Dear Stakeholder

**Consultation on Nunthorpe Academy Published Admission Number 2020**

In order to follow the guidance set out in the Schools Admission Code, it is a statutory requirement that any academy wishing to alter their Published Admission Number (PAN) must consult appropriately. Please take this communication as notice of our consultation.

We are proposing to reduce our PAN from the current number of 291; with the (PAN) for Year 7 in 2020 to be set at 260.

The reason for the proposed reduction is:

- Limitations on the quality of education provided due to insufficient buildings capacity

As part of the consultation being undertaken we are required to consult now on our 2020-21 Admissions Policy. Please note that there are no changes to our current policy with the exception of the proposed reduction in number of students admitted; the current admission policy can be viewed on our academy website.

As part of our consultation, we are keen to hear your views. The period of consultation will open on:

**Friday 14 December 2018 and close at 3.30pm on Friday 25 January 2019**

We encourage you to present your support, views, questions and concerns. All submissions received by **Friday 25 January 2019** will be considered at a meeting of the Academy's full Governing Body.

Please submit your views either:
