

Nunthorpe Academy

23 January 2019

Dear Parent/Carer

I would like to invite you to the "Subject Parent Evening" for Y13 on **Wednesday 6 February 2019 (4.00-7.00pm)**. The evening is to enable you and your child to ask subject specific questions and discuss your child's progress with a subject specialist including a review of performance in the January Mock Exams. You will be given advice on how best to support your child over the next few months and about what further steps will be needed to ensure your child achieves their potential.

All students will be expected to make appointments with their subject teachers. (NB in some subjects with large student numbers it may only be possible to see one of the two staff teaching your son/daughter.) It is also very important that students are present at the meeting. In this way we can ensure that the Sixth Form, parent/carer and student are working together to ensure the best possible outcomes are achieved in August 2019. Parking will be available on site.

The Subject Parent Evening will take place in the 6th form building towards the rear of the main academy. Should you have any queries about this event please contact Leigh Coulthard, our Sixth Form Administrator, via email at lcoulthard@nunthorpe.co.uk or call the Sixth Form on 01642 304550.

I look forward to seeing you there.

Yours faithfully

Hermione Jackson
