

Nunthorpe Academy

23 June 2020

Dear Y11 student,

Unfortunately due to the health and safety restrictions in place regarding Covid 19 we are unable to proceed as planned with the two Sixth Form Induction Days scheduled for 29-30 June 2020. However, Mr Chuhan and myself have been working on providing a range of activities for you which cover all the key aspects of Induction. These will be available in the week beginning 29th June and will be emailed to you and also put on Classcharts (for Nunthorpe students). I have listed below the materials that will be provided:

- Mr Chuhan has produced a 6th Form Induction video which includes answers to frequently asked questions
- There is a Study Skills presentation with activities to complete to help with guidance on how to approach your post-16 courses
- Students will be provided with a Careers Research activity to help them start planning for the future
- An extra-curricular presentation will be available where Mr Yale has provided information about the 6th form student council and I have included information on Enrichment activities
- There will be a Zoom Q&A meeting on Friday 3rd July at 3pm where myself, Mr Chuhan and some of our current 6th form students will be available to share our experiences and answer any questions.
- All subject teachers will be setting specific Induction materials via Classcharts and email. Some of these may include work that can be submitted for feedback, or small projects that can be completed by September.

In order to access the Zoom session please send an email to me (hjackson@nunthorpe.co.uk) and I will send you an invite.

Although we cannot meet you in person yet I do hope you will find the above activities beneficial and that you gain an insight into what life in the 6th form will be like.

Yours faithfully,

Ms Hermione Jackson
Head of Sixth Form
