New Year 11 After School Intervention Programme

I write to inform you of the Academy's new Year 11 intervention programme, which will be launched on Monday 28 September 2020. We have managed to organise several different intervention sessions that cover a wide range of subjects and will run after school between 3.00pm and 3.50pm with exception of a Monday night due to staff training.

It has not been possible to select all Year 11 students for after school intervention, therefore students who have not been selected will not be required to stay back after school during this cycle. Each cycle will last 6 weeks and at the end of each cycle the teachers will then look to select another group of students.

The after school intervention programme is now available to all students. The intervention timetable has been displayed in the Science corridors and highlights the subject the student needs to attend and on which night.

If you would like any further information with regards to the new Year 11 intervention programme please do not hesitate to contact me at the academy on 01642 310561 ext 1063 or via email at spurcifer@nunthorpe.co.uk

Yours sincerely

S. Purcifer
