

Dear Parents and Carers,

At Nunthorpe Academy, we are constantly striving to make improvements to improve the overall school experience for every one of our students. As parents and carers, we value and welcome your views, suggestions and input to support our future planning and development.

In order to collect your views, would like to invite you to complete the Ofsted Parent View survey which can be found at the following address:

<https://parentview.ofsted.gov.uk/>

This survey is set by Ofsted and asks a number of questions relating to the experiences of students, the experiences of parents and carers and your views on the running and management of the academy.

Your views are highly valued and so we encourage you to take part and support us in continuing to improve the experience and outcomes of all of our students.

The process to complete is reasonable straightforward, I have included a guide below to support.

Kind regards

Steven Ward
Vice Principal Teaching and Learning, Pastoral
