**Year 9 Human Papilloma Vaccine (HPV) and catch up programme**

*Message sent on behalf of Harrogate and District NHS Foundation Trust*

Dear Parent/Carers,

The Immunisation Team will be in school on **19th May** to deliver the HPV vaccinations for **Year 9 pupils**, and any children who may have missed this in previous years. They will also be catching up the DTP/MenACWY vaccinations at the same time.

The online consent portal will close on 11/05/2021, therefore if you consent using the portal after this date, your child may not receive their vaccine at this session. If you have not consented for your child to have the HPV vaccine, please ring 01423 557693 to consent.

If possible can your child wear a short sleeved shirt on this day as the injection(s) will be given into the top of your child's arm(s).
