

READY. RESPECTFUL. SAFE

SEND at Nunthorpe Academy

Siobhan Brosnan – AVP Inclusion

How does SEND support work?

If your child has a special educational need or difference- including EHCP then support will be offered during transition and once a full part of Nunthorpe Academy.

Siobhan Brosnan- AVP Inclusion acts as our SENDCo.

Contacts: sbrosnan@nunthorpe.co.uk
01642 304298

What does SEND support at Nunthorpe look like?

Your child will have a learning passport- written in partnership with your child's primary school, your child and yourself in the first instance.

The passport will include two targets and a list of strategies that must be adhered to in order to support your child and enable “a level playing field” for learning.

Learning Support Assistants

Your child's class may have a learning support assistant allocated to allow extra help and intervention to enable learning to take place.

We have a full team of 2 qualified SENDCo's, 2 nurture teachers, 12 x LSA's and 1 x SEND admin.

2 x LSA's are currently planned to be with Year 7
2022/2023

Nurture Group

Year 7 includes a nurture setting group.

This group has 12 places in total.

This group complete a full range of subjects- blending main school setting with use of the Inclusion space.

Project based learning is used- where subjects such as History, MFL, DT, ICT are covered in project style work throughout the year.

Additional Support / Emotional Wellbeing

Nunthorpe Academy employ the full time services of The Junction Foundation.

The Junction offer emotional wellbeing support, mental health support and positive confidence sessions to help young people embrace life both within and beyond Nunthorpe Academy.

This support is put in place on a referral basis.

Specific Questions or Individual Conversations....

Please come and visit our Inclusion Zone...

I will be around all evening for brief chats.

Appointments can be made for more detailed conversations as needed.

I look forward to seeing you, please enjoy your evening.
