Dear Parent(s) / Carer(s)

Re: Year 7 Parent Review Evening – Wednesday 25 May 2022 - Online Appointment Booking

I would like to invite you to attend our Year 7 Parent Review Evening on Wednesday 25 May.

The school has introduced a new intuitive and easy to use online appointment booking system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. We are confident this will be an improvement to the previous system and welcome any feedback.

Appointments can be made from Thursday 12 May and will close on Wednesday 25 May.

This will be a great opportunity to hear how your child has been progressing since the start of the academic year in each of their subject areas and what their attitude is like across their effort, home learning and behavior for learning. All subjects will be having end of year examinations in June 2022 and this will be a great time to find out what they need to do to prepare for them.

Please visit <https://nunthorpeacademy.schoolcloud.co.uk/> to book your appointments. (A short guide on how to add appointments is included with this letter.)

If you have any issues, please do not hesitate to contact the academy, via email at admin@nunthorpe.co.uk

Yours sincerely

Browse to <https://nunthorpeacademy.schoolcloud.co.uk/>

Step 1: Login

Fill out the details on the page then click the *Log In* button.

A confirmation of your appointments will be sent to the email address you provide.

Step 2: Select Parents' Evening

Click on the date you wish to book.

Unable to make all of the dates listed? Click *I'm unable to attend*.

Step 3: Select Booking Mode

Choose *Automatic* if you'd like the system to suggest the shortest possible appointment schedule based on the times you're available to attend. To pick the times to book with each teacher, choose *Manual*. Then press *Next*.

We recommend choosing the automatic booking mode when browsing on a mobile device.

Step 4: Select Availability

Drag the sliders at the top of the screen to indicate the earliest and latest you can attend.

Step 5: Choose Teachers

Select the teachers you'd like to book appointments with. A green tick indicates they're selected. To de-select, click on their name.

Step 6: Book Appointments (Automatic)

If you chose the automatic booking mode, you'll see provisional appointments which are held for 2 minutes. To keep them, choose *Accept* at the bottom left.

If it wasn't possible to book every selected teacher during the times you are able to attend, you can either adjust the teachers you wish to meet with and try again, or switch to manual booking mode.

Step 7: Book Appointments

Click any of the green cells to make an appointment. Blue cells signify where you already have an appointment. Grey cells are unavailable.

To change an appointment, delete the original by hovering over the blue box and clicking *Delete*. Then choose an alternate time.

Once you're finished booking all appointments, at the top of the page in the alert box, press *click here* to finish the booking process.

Step 8: Finished

All your bookings now appear on the My Bookings page. An email confirmation has been sent and you can also print appointments by pressing *Print*. Click *Subscribe to Calendar* to add these and any future bookings to your calendar.

To change your appointments, click on *Amend Bookings*.

Video Appointments: Parents - How to attend appointments over video call

This video shows you how to log in to book, and later attend, video appointments at your school's Parents Evening. Underneath the video is a help article with written information to the same effect and, at the bottom, details of **how to invite another parent/guardian to join your appointments**.

In order to make video calls you need to have as a minimum:

- a device with a microphone and speaker/headphones
- a compatible up-to-date web browser:

iPhone/iPad: Safari **Note: there is a known issue joining video calls using iOS 14.2.**

Please upgrade any iOS 14.2 devices to iOS 14.3, or use an alternate device.

Android: Chrome or Firefox

Windows: Chrome, Firefox or Microsoft Edge (Chromium - download here

(<https://www.microsoft.com/en-us/edge>))

Mac: Safari, Chrome or Firefox

Linux: Chrome or Firefox

We also recommend:

- Using your smartphone for video appointments. If you don't have a smartphone with a front-facing camera, use a laptop or computer with a webcam.
- Using a headset (or earphones with a microphone) to reduce echo.

How to attend your appointments via video call

1. Log in and go to the Evening

On the day of the video appointments (or before, if you want to test your camera and microphone) login to Parents Evening at the usual web address for your school, or click the login link from the bottom of the email confirmation you will have received.

Once logged in you will see a notice that you have upcoming video appointments and under this the details of the event, along with a *Join Video Appointments* button.

Press the button to join your appointment on the day - or to test your camera/microphone at any time.

2. Check Audio and Video

When you click *Join Video Appointments* the *Check Audio and Video* screen will be displayed. You may at this point be asked if you wish to allow access to your camera/microphone, in which case please click yes.

From here you can turn on or off your microphone and camera, change which devices are being used for the call, and check your microphone and speakers. Once you are happy, click *Proceed to Video Call*.

2. The Video Call

On this screen you can see the following, when in a call:

- At the top left the teacher name (and subject details) for the current and next appointment
- At the top right a countdown to the start of the appointment.
- At the bottom the controls for the microphone and camera.

When another person is available these also show a pick up button to start the call

and a hang up button to leave the call.

- In the middle, when your appointment is due to start, the *Start Appointment* button.

3. Making a call

Click the *Start Appointment* button. You will see yourself in the bottom right corner of the screen (unless you have no camera, or have chosen to turn it off). If the teacher has not yet joined you will see a notice to that effect in the centre of the screen.

When a teacher joins a call you will see them in the main part of the screen - or hear them, if they have no camera (or have turned it off) - and can start your discussion with them.

You will also see the remaining time for the appointment counting down in a blue bar at the top of the screen, which will turn red when the last 10 seconds begin.

If anyone loses access to the system for some reason during the call, they can log in again and click *Start Appointment* on the video call screen. As long as the other person is still in the call this will let you continue with the appointment.

When the countdown in the blue bar stops the appointment time is over and the call will automatically end.

Note that if you or the teacher are late, or leave and rejoin the call, it does **not** reset the timer. The appointment will always end at the scheduled time.

4. Follow on calls

If you have a consecutive appointment scheduled the screen will display a *Start Next Appointment* button. When you are ready to proceed, click on it

Note that if you delay starting a call it does **not** extend the duration for that appointment. The appointment will always end at the scheduled times.

If you do not have a consecutive appointment, but you have not completed your final scheduled appointment you will see a countdown telling you how long until the start of your next appointment.

Once your final appointment for the evening is complete you will see a message advising you of this.

Inviting another parent/guardian to join your appointments

You can give one other parent/guardian access to join your video appointments in respect of each student linked to you that is involved in the conference. You can grant this access at the time of booking, or later if required.

1. Once you have made your bookings (or when you later log in and go to *My Bookings*) click on the *Invite Parent/Guardian* link at the top of the list of your bookings. If you have already sent an invitation this link will show as *Manage Invites* instead.
