Dear Parent(s) / Carer(s)

Year 9 Parent Review Evening, Tuesday 7 January 2025 - Online Appointment Booking

I would like to invite you to attend our Year 9 Parent Review Evening on Tuesday 7 January 2025.

Nunthorpe Academy's Year 9 Parent Review Evening will take place on Tuesday 7 January via video calls. Appointments for each teacher will last four minutes, this is to ensure that teachers have the opportunity to meet with as many parents/carers as possible.

This will be a great opportunity to hear how your child is progressing across each of their subjects before the Year 9 Pathways Evening in the academy on Monday 13 January 2025, where parents/carers can find out further information regarding each of the subjects available at Key Stage 4 before students make any choices.

By the time of this Parent Review Evening your child's DC1 report will have been made (October) by each of your child's subject teachers and they will be in the process of deciding upon the DC2 report. This will give the most up to date information, factoring in all the progress made in each of your child's subjects and will help both your child and you make the important decisions about which subjects to choose in the Pathways Process.

If when making your appointments you find that you cannot make one with certain teachers, this is likely due to the fact that the teacher has no spare appointments left. If this is the case and you still require information from the teacher regarding your child, then please contact the member of staff via email - all staff emails are on the academy website.

Please remember - If after the Year 9 Parent Review Evening you feel that you require more time with an individual teacher to discuss your child's progress this can be arranged by emailing the teacher directly (all staff emails are on the website) and either a meeting in the academy or a phone call can be arranged.

Please visit <https://nunthorpeacademy.schoolcloud.co.uk/> to book your appointments. (A short guide on how to add appointments is included with this letter).

When logging into the system for the first time **you must use the exact details that you gave to the academy when registering your child with us.**

If you have any queries or concerns, please contact the school via the email at admin@nunthorpe.co.uk

Yours sincerely

Video Appointments: Parents - How to attend appointments over video call

This video shows you how to log in to book, and later attend, video appointments at your school's Parents Evening. Underneath the video is a help article with written information to the same effect and, at the bottom, details of **how to invite another parent/guardian to join your appointments**.

In order to make video calls you need to have as a minimum:

- a device with a microphone and speaker/headphones
- a compatible up-to-date web browser:

iPhone/iPad: Safari **Note: there is a known issue joining video calls using iOS 14.2.**

Please upgrade any iOS 14.2 devices to iOS 14.3, or use an alternate device.

Android: Chrome or Firefox

Windows: Chrome, Firefox or Microsoft Edge (Chromium - download here

(<https://www.microsoft.com/en-us/edge>))

Mac: Safari, Chrome or Firefox

Linux: Chrome or Firefox

We also recommend:

- Using your smartphone for video appointments. If you don't have a smartphone with a front-facing camera, use a laptop or computer with a webcam.
- Using a headset (or earphones with a microphone) to reduce echo.

How to attend your appointments via video call

1. Log in and go to the Evening

On the day of the video appointments (or before, if you want to test your camera and microphone) login to Parents Evening at the usual web address for your school, or click the login link from the bottom of the email confirmation you will have received.

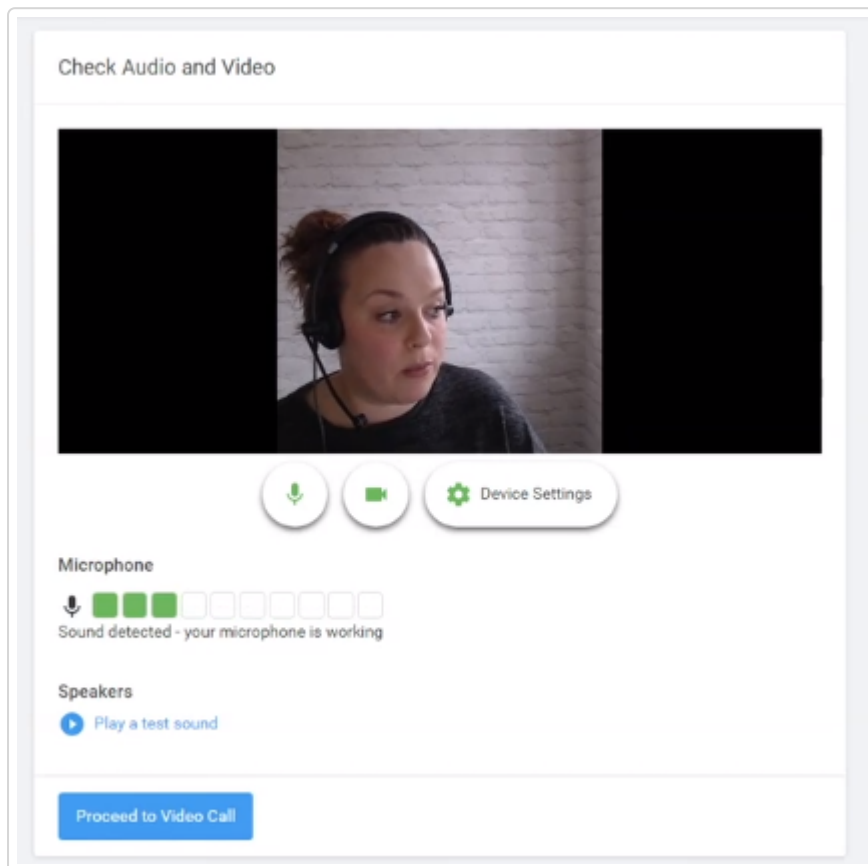

Once logged in you will see a notice that you have upcoming video appointments and under this the details of the event, along with a *Join Video Appointments* button.

Press the button to join your appointment on the day - or to test your camera/microphone at any time.

2. Check Audio and Video

When you click *Join Video Appointments* the *Check Audio and Video* screen will be displayed. You may at this point be asked if you wish to allow access to your camera/microphone, in which case please click yes.

From here you can turn on or off your microphone and camera, change which devices are being used for the call, and check your microphone and speakers. Once you are happy, click *Proceed to Video Call*.

2. The Video Call

On this screen you can see the following, when in a call:

- At the top left the teacher name (and subject details) for the current and next appointment
- At the top right a countdown to the start of the appointment.
- At the bottom the controls for the microphone and camera.

When another person is available these also show a pick up button to start the call

and a hang up button to leave the call.

- In the middle, when your appointment is due to start, the *Start Appointment* button.

3. Making a call

Click the *Start Appointment* button. You will see yourself in the bottom right corner of the screen (unless you have no camera, or have chosen to turn it off). If the teacher has not yet joined you will see a notice to that effect in the centre of the screen.

When a teacher joins a call you will see them in the main part of the screen - or hear them, if they have no camera (or have turned it off) - and can start your discussion with them.

You will also see the remaining time for the appointment counting down in a blue bar at the top of the screen, which will turn red when the last 10 seconds begin.

If anyone loses access to the system for some reason during the call, they can log in again and click *Start Appointment* on the video call screen. As long as the other person is still in the call this will let you continue with the appointment.

When the countdown in the blue bar stops the appointment time is over and the call will automatically end.

Note that if you or the teacher are late, or leave and rejoin the call, it does **not** reset the timer. The appointment will always end at the scheduled time.

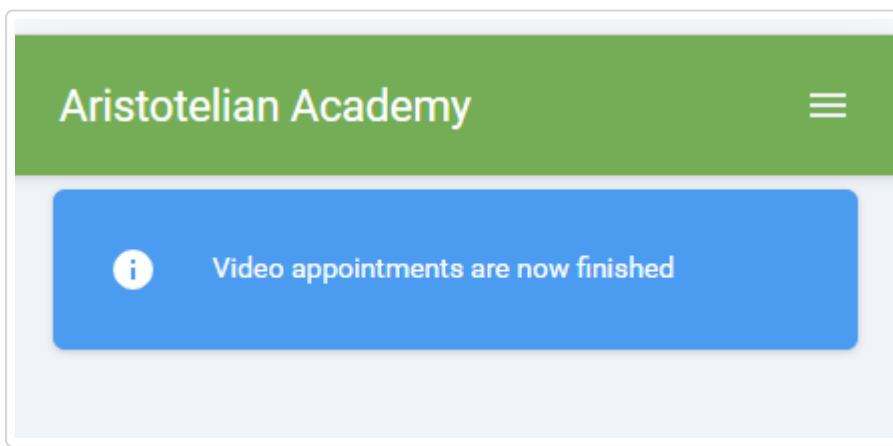

4. Follow on calls

If you have a consecutive appointment scheduled the screen will display a *Start Next Appointment* button. When you are ready to proceed, click on it

Note that if you delay starting a call it does **not** extend the duration for that appointment. The appointment will always end at the scheduled times.

If you do not have a consecutive appointment, but you have not completed your final scheduled appointment you will see a countdown telling you how long until the start of your next appointment.

Once your final appointment for the evening is complete you will see a message advising you of this.

Inviting another parent/guardian to join your appointments

You can give one other parent/guardian access to join your video appointments in respect of each student linked to you that is involved in the conference. You can grant this access at the time of booking, or later if required.

1. Once you have made your bookings (or when you later log in and go to *My Bookings*) click on the *Invite Parent/Guardian* link at the top of the list of your bookings. If you have already sent an invitation this link will show as *Manage Invites* instead.
