

7 April 2025

Dear Parent(s) / Carer(s)

Re: Year 10 Parent Review Evening, Tuesday 6 May 2025 - Online Appointment Booking

I would like to invite you to attend our Year 10 Parent Review Evening on Tuesday 6 May 2025.

Appointments can be made from Wednesday 9 April and will close on Tuesday 6 May 2025.

This will be a great opportunity to hear how your child has been progressing since starting their GCSE courses and what their attitude grades are for effort, homework and behaviour. All Year 10 students will be undertaking a set of trial exams, starting on Monday 23 June 2025 which will run for two weeks, this will be the perfect time to find out what they need to do to fully prepare for a successful set of results.

By the time of this Parent Review Evening your child's DC3 predicted grade will have been made by each of your child's subject teachers. This will give the most up to date prediction, factoring in all the progress made in lessons, of what you child is likely to achieve across each of their subjects. If when making your appointments you find that you cannot make one with certain teachers, this is likely due to the fact that the teacher has no spare appointments left.

Please remember - if after the Year 10 Parent Review Evening you feel that you require more time with an individual teacher to discuss your child's progress this can be arranged by emailing the teacher directly (all staff emails are on our website) and either a meeting in the Academy or a phone call can be arranged.

Please visit <https://nunthorpeacademy.schoolcloud.co.uk/> to book your appointments. When logging into the system for the first time you must use the exact details that you gave to the academy when registering your child with us.

If you have any issues, please contact the school, via the email: admin@nunthorpe.co.uk

Yours sincerely
